

# Agent Lodge Fact Sheet

## The different accommodation options are as follows;

- 4 x en-suite thatched cottages which include a double bed on a mezzanine floor and two single beds downstairs. Two extra beds can be included for 2 x more children only. Standing fans;
- 13 x thatched safari tents with attached private facilities under the thatched roof (single, twin or triple share);
- 2x river tents with en-suite bathroom. These tents are located close to the river shoreline & due to environmental restrictions have chemical toilets;
- 3 x comfortable camping tents (single or twin share) with shared shower/toilet block facility within the campsite;
- Private campsite area with shared shower/toilet block facility;

We offer a special family package for our cottages and thatched tents. Please enquire if this is something that may interest your clients.

All beds have mosquito nets.

Safety deposit boxes are in all rooms - a 20,000ugx deposit provides the guest with a padlock and key.

Alternatively, guests can use their own padlock.

MRL does not accept responsibility for the loss of any items or damage to any items charged.

A client turn-down service is available – please advise our staff at check in.

## Solar

The entire lodge runs off solar including fridges, freezers and water pumps. There is no air conditioning in our accommodation, but the cottages have stand-alone fans. Solar water tanks provide hot water showers in the cottages and thatched safari tents, and charging USB stations are available in the cottages and thatched safari tents (do note CPAP do not work off USB ports). Further charging facilities are available in the main bar, pool lounge and campsite bar Please note the use of hairdryers is not possible.

## Public Areas

There are plenty of places at the lodge for your client(s) to relax – pool area, pool lounge, main bar and restaurant, fire pit, sunset point. These areas are for client use only.

## Family

MRL is very family orientated. We have a covered baby pool, a large sandpit, swing, high chairs, plastic cups and cutlery, a children's menu, early meal times upon request and for a small fee an evening baby monitoring service can be arranged.

## WIFI

Free client WIFI is available in the pool lounge or the campsite bar. We chose to limit the WIFI to these two areas so as not to disturb guests who wish to relax and enjoy other areas of the lodge.

## Dietary requirements & ETA

Please advise us at the time of your reservation whether your client/s have any dietary requirements or allergies and your estimated time of arrival. This will help our staff to prepare for your client's stay at MRL with minimal disruption.
